ABOUT US

S.H.INDUSTRIAL NEEDS established in 1987 is a leading distributor of maintenance, repair and overhaul (MRO) products sourced from world's leading manufacturers hence becoming your single source supply partner. We add value at every turn, helping to reduce working capital, increasing production efficiency and reduce total cost acquisitions. Our vast catalogue of products enables SHIN to be your one stop shop, putting labor intensive and repetitive procurement process under cost saving umbrella.

The company started by Shabbir Siamwala was primarily into industrial supplies to major Defense organizations in and around Tamil Nadu and has come a long way in providing innovative solutions to Oil & Gas, Marine, Ship Building, Wind Turbine, Heavy Engineering, Energy and Automotive Industries across India and exports to Middle East, Srilanka and Africa.

WHY US ?

- More than 1 million products.
- International & dedicated sourcing partners.
- Reduce number of vendors and associated cost.
- We cover most applications.
- Competitive pricing.
- Product specification & standardization.
- Internationally approved product range.
- Considerable experience in managing MRO contracts.

QUALITY POLICY

"S.H.Industrial Needs is committed to providing customer satisfaction by offering a cost-effective solution for the provision of product and service that complies in all respects with the customer's order. The company strives continuously to improve its service by working closely with both customers and suppliers to ensure that products are processed on time and right first time."

HAND TOOLS

We import, stock, distribute premium quality hand tools from reputed tool makers across the globe. We offer a complete range of tools required for plant maintenance & operations, construction, heavy engineering, bolting, assembling, etc. From pulling and alignment tools to bearing heaters and lubrication equipment, we've got everything you need for your maintenance workshop.

Wilton Tools

Non Sparking Tools

Insulated Tools

Battery Operated Tools

TORQUE TOOLS

We are one of the leading importers and distributors of all major brands of Torque Tools and Bolting Solutions. We provide adjustable click type ratcheting Torque Wrenches, Interchangeable Torque Wrenches, Torque Multipliers, Battery operated Torque Wrenches, Hydraulic Torque Wrenches, Electrically operated Torque Wrenches, Pneumatic Torque Wrenches, Power Packs, Digital Torque Wrenches, Torque Screwdrivers and accessories.

Gedore Torque Tools

Facom Torque Tools

Torque Multipliers

Cordless Torque Wrench

TOOL KITS & STORAGE

We offer a wide range of master Tool sets for various industrial applications. Be it a workshop or an individual, we can offer tool kit for every application like Maintenance, Electrical, Telecom, Plumbing, HVAC, Rail Road and Aircraft Maintenance in reputed makes.

Electro Mechanical Tool Kit

Bearing Puller Kit

Telecommunication
& Networking Tool Kits

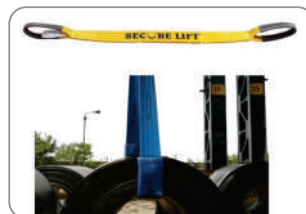

Tool Storage Trolley

LIFTING TACKLES

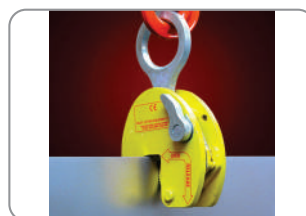

S.H.INDUSTRIAL has been one of the leading stockiest and distributor of premium quality lifting tools & tackles for all types of industrial work places. We provide third party inspection & load test certificates for wire rope slings, shackles, chain slings, chain hoists, winches, etc. We carry renowned brands like Gunnebo, Codipro, Pewag, RUD, CROSBY, Dayton to name a few.

Polyester Webbing Slings

Chain Slings

Lifting Clamps

PERSONAL SAFETY

Safety should be a priority for your place of business, no matter the industry. All jobs are different and as a result, so are the work conditions. Obtaining workplace safety means the right equipment, tools and accessories. Safety gear refers to protective clothing, helmets, goggles or other garments designed to protect your employee's body from injury or infection. Order based on your company's specific needs for full compliance with safety regulations. Find high-quality, dependable safety gear to keep employees and work sites safe and secure. SH Industrial provides premium quality internationally approved PPE's to its clients.

Gloves and Hand Protection

Fall Protection

Water Safety

Arc Flash Protection

WORKWEAR & PROTECTIVE CLOTHING

Whatever the job requires, it's good business to make sure that your employees have high quality protective clothing. Ideally, workwear should be functional, comfortable and provide necessary safety to employees. From aprons and vests to scrubs and lab coats, SHIN's wide selection of workwear products can provide your employees the clothing they need to get the job done safely and comfortably.

Cooling Vests

Cryogenic Protective Suits

Fire Fighting Clothing

Immersion Survival & Rescue Suits

SITE SAFETY & SECURITY

We offer a broad and highly specialized solutions when it comes to Site Safety and Security. We provide confined space equipment, Emergency Eye Wash & Shower Equipment, Lockout Tagout, Matting, Noise Control, Safety Alarms & Warnings, Safety Storage, Signs, Spill Control and Fire Protection.

Lockout Tagout

Matting

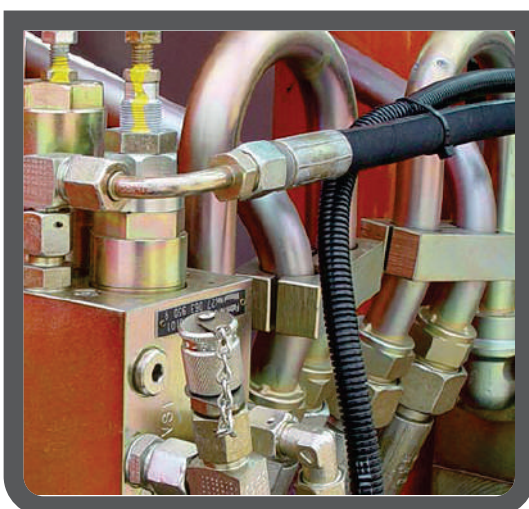

Spill Containment Pallets

Spill Control

HYDRAULICS AND PNEUMATICS

Choosing the right hydraulic pumps, hoses and adaptors is important because these systems can have long-term effects on your plumbing operations. Find all of the industrial hydraulics that your company needs with our enormous inventory. We have everything from the smallest fittings to 100-ton hydraulic cylinders. Our broad stock of hydraulics and system components has everything you need, no matter the style, size and kind of plumbing system that you have.

Hydraulic Valves

Flexmaster Joint Couplings

Hose Safety
Whip Checks & Socks

Hydraulic Filtration

BANDING & CLAMPING SOLUTIONS

S.H. Industrial offers a full range of stainless steel banding and cable tie installation tools to meet any requirement. We supply Stainless steel banding in a variety of widths, thickness, strength and corrosion resistance. Stainless Steel Buckles can accommodate a single or double wrap of stainless steel band. They are excellent for use where a light or heavy duty application is required. We offer multiple types of stainless steel buckles for signs, bundling cables and many other applications. They perform without worry about corrosion.

SS Banding

Scru-seal Clamping System

Endless Hose Bands & Clips

Wire Clamps

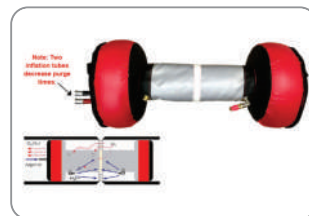

PIPE EQUIPMENT & REPAIR

From Pipe Cutting, to beveling, to aligning, to purging, to handling we offer the solutions and expertise to make your job faster, easier, more accurate and more efficient for both workshop and on site environments. We supply high quality Pipe work fabrication machinery, tools and handling equipment.

Pipe Beveling Machines

Pipe Purging Equipment

Pipe Repair Kits

Pipe Repair Clamps

SPECIALITY ADHESIVES & SEALANTS

Whether you need to bond substrates, repair concrete, or secure fastener assemblies, SHIN has the tapes, adhesives and sealants to get the job done. We stock duct tape, masking tape and packing tape for everyday use. Find electrical and foam tape for specific applications in just the right width, strength and roll size to meet your needs. And SHIN's selection of epoxy, glues and cements is just as broad.

Metal Repair Putties

Adhesive Dispensing
Equipment

Copaltite Sealant

Electrical Adhesive Tapes

TEST INSTRUMENTS

Professionals demand reliable, accurate test instruments to help isolate problems, maintain vital processes and solve problems before they interrupt workflow or cause hazards in the facility. We have infrared thermometers, pressure gauges, analog and digital multimeters, and hundreds more products to diagnose and fix problems. Shop our large inventory of industrial testing equipment to ensure that you get accurate results every time. Complete your laboratory or facility today with the right test instruments.

Hart Communicator

Concrete Maturity Meters

Rebar Locators

Cable Detection

MAINTENANCE AEROSOLS & LUBRICANTS

Keep motors and mechanical equipment well-oiled with our large selection of lubrication products, like silicone lubricant, bearing grease and machine oil. We offer the right synthetic, silicone, food-grade, graphite, water-based or dry formula lubricant to help prevent corrosion and seizing, saving you costly downtime. Find tools for routine maintenance or on-site repairs: grease guns, degreasers and grease fittings, flexible hose lubrication systems and more, all from a single source.

Zinc Spray

Copper & Metal Free Paste

Heavy Duty
Industrial Degreasers

Dry Lubricant Sprays

VALVES & INSTRUMENTATION

SHIN has been a leading & trusted supplier of all kinds of Industrial valves, we source high quality valves from reputed manufacturers across India, Europe and US. The valves are approved by American Petroleum Institute and Indian Boiler Regulation. We also provide third party inspection at our or OEM facilities.

Butterfly Valves

Instrumentation Valve

Coated Fasteners

With so many options and functions, it can be difficult to know what fastening product to use in each situation. We help you to choose relevant products with important information such as assembly, aesthetics, applications and attributes. We import fasteners in all types, material, grade, and sizes from USA, Europe and Taiwan.

WELDING EQUIPMENT

Welding is a dangerous business. Whether you need arc welders, TIG torches or MIG welding wire, we have the welding tools and equipment you need to stay safe. Choose welding helmets, plasma cutters and a wide array of other welding products from top manufacturers that deliver the safety and performance you need. You can even find the proper furniture to make the task easier like welding tables and accessories. Find the welding equipment you need today.

POWER TRANSMISSION

Power transmission products convert energy into motion. They are commonly used in industrial automation, material handling, and construction applications. Rotary motion devices transmit power between rotating parts in a machine. They include chains, belts, pulleys, sheaves, and gears. Linear motion devices transmit power and support motion in a straight line. They include actuators and linear bearings. Bearings extend the working life of wheels, pulleys, and other rotating parts by reducing friction and enabling parts to move smoothly. SHIN supplies a wide range of Power Transmissions products sourced from some of the most reputed manufacturers in the field.

Bearings

Couplings

Gearmotors

Pulleys

ABRASIVES

They're integral to shaping and creating a clean, finished surface in Construction, Welding, Metalworking, And Machining Operations. Sanding Abrasives clean and smooth surfaces to prepare them for final finishing. Cut-Off And Grinding Abrasives install in power tools to cut, sharpen, and grind metal, ceramic, and other materials. Abrasive Brushes and Wheels aggressively remove rust, mill scale, and weld spatter. Abrasive Blasting fires ground media at a surface to remove paint and surface imperfections. Deburring Tools remove ragged edges from metal. Sharpening stones and files hand sharpen metal cutting edges, such as knives and chisels. Buffing and Polishing tools remove small scratches and buff wood, metal, glass, and other materials to a high gloss shine. Vibratory tumblers rotate to deburr, finish, and polish surfaces of small parts.

Wire Brushes

Belts

Flap Discs

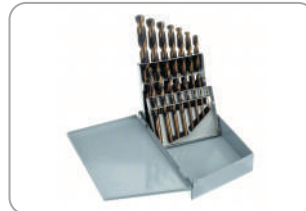

Orbital Sanders

MACHINING

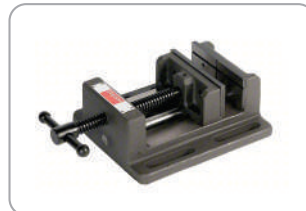

Machining is a process in which material is removed from a workpiece to shape or finish it into a desired form. Drilling, holemaking, milling, turning, and threading tools are attached to compatible machinery such as a lathes, drill presses, or CNC machines to perform machining operations on the workpiece. SHIN supplies various Machine tool accessories, metalworking fluids, toolholders, precision measuring tools and other supplies to support the machining operation for optimal results.

Drilling & Hole Making

Indexing Tool Holder

Machine Vises

Tap & Die Set

MATERIAL HANDLING

Material handling equipment is used to move, store, or ship items efficiently. Conveyor systems reduce the effort it takes to move heavy or bulky materials from one location to another. Shelving and storage racks help to keep tools, materials, and supplies organized and accessible in commercial and industrial facilities. Dollies and movers reduce effort when moving heavy industrial equipment and office furniture. Carts and trucks are used to push, lift, and position bulky or cumbersome items. Hoisting and lifting equipment and hardware can help reduce injuries when raising heavy items. SHIN specializes in the supply of complete range of material handling equipment.

Machine Skates

Utility Carts

Ladders

Hand Trucks

TRADE PARTNER OF GRAINGER INC.USA

With Annual Sales of more than \$ 10 billion, W.W. Grainger is the largest supplier of industrial products in America & a Fortune 500 company. They have over 14 lac products to offer from 4800+ Global brands. Most of these items are stocked in their US distribution Center & made available to customers in India door-delivered within 7-10 days. These products cover length & breadth of the MRO products (indirect material) used for keeping the facility up & running smoothly. Few of the categories & top brands we deal into is as under:

Hand Tools	Westward, Stanley US, Proto, Ridgid, Irwin, Knipex
Safety & Security	3M, Condor, Ansell, Justrite, Honeywell, Martor
Material Handling	Rubbermaid, Eagle, Ingersoll-rand, Little Giant
Metalworking	Westward, Milwaukee Electric, Miller, Dewalt
Adhesives & Sealants	Loctite, ITW, Westward, JB Weld
Pumps & Plumbing	Weg, Dayton. Franklin, Baldor, Danfoss
Test Instruments	Fluke, Megger, Extech, FLIR, Amprobe
Hvac & Refrigeration	Dayton, Johnson Controls, Honeywell, Yellow Jacket
Motor & Power Transmission	Dayton, WEG, GE, Danfoss, Marathon
Pneumatics & Hydraulics	Chicago Pneumatic, Enerpac, Parker, Eaton, Cox
Electrical	Appleton, Hubbell, Cooper-Bussman, Panduit, Burndy, Thomas & Betts, Square D, Raco, Ferraz Shawmut

We can help you with hard to find engineering products, some new innovative solutions to your Safety & Tooling requirements, Material Handling, Pneumatic, Hardware & Fasteners, etc. Also the legendary 5000 pager catalog helps users to identify the product of their choice across specifications, International standards, brands, etc. All products meet the US norms & specifications, hence helping customers stay compliant & safe. There is no MOQ to order on most of the Grainger products. You can search for any product online at www.grainger.com
